Gemäß BNetzA, Beschlusskammer 4, Aktenzeichen BK4-13-739 mit Beschluss vom 11.12.2013 hinsichtlich der Festlegung zur sachgerechten Ermittlung individueller Netzentgelte nach §19 Abs.2 S.1 StromNEV, geben wir hiermit unser Hochlastzeitfenster bekannt.
Die Hochlastzeitfenster sind ausschließlich an Werktagen gültig. Die Wochenenden, die gesetzlichen Feiertage für Schleswig-Holstein, sowie die Zeit zwischen Weihnachten und Neujahr gelten als Nebenzeiten.

Hinweis:

Die Zeiten der Hochlastzeitfenster basieren auf Messungen im ¼-Stundenintervall.

Für die Vermeidung des individuellen, maximalen Jahresleistungsbezugs im Hochlastzeitfenster des Netzes sind die rot markierten Zeiträume zu berücksichtigen.
